

## **Grimes Volunteer Support Services needs additional volunteers to help our seniors!**

**As much as many of us wish it not to be true, snow has and will be coming. To help our senior neighbors, we are looking for volunteers to help shovel the snow from their driveways and sidewalks. We have two options for volunteering (three if you consider doing both!):**

- **Individual matches: Volunteers will be matched with a client to shovel for them within a day or so of snowfall.**
- **Senior snow patrol: After a significant snowfall, a group of volunteers go around to homes together to remove the snow. We also have a Jeep with a snow blade to help speed up the event.**

**This is a great way to get involved in the community and do nice things for those who need it. If you are not a current volunteer for GVSS, you can download a volunteer application from our website ([www.grimesvss.com](http://www.grimesvss.com)) or call the office (515-986-5355) and we'll send you one.**
